Registered Charity No 327512

## CAN YOU HELP?

### THE WORKING HORSE TRUST URGENTLY NEEDS TO FIND A NEW HOME!

The charity has been based on the Nevill Estate in Eridge since 1994. Now, however, due to a change in the Estate's policy, we have been asked to leave.

We are seeking to rent sufficient grazing and stabling facilities for our 14 rare breed draught horses within reasonable catchment of Eridge/ Tunbridge Wells in order to maintain the local volunteer support which enables the charity to function.

If you can assist with the above criteria (or know someone else who might) please contact Jo Ambrose:

- ◆ Direct access (we host occasional Open Days and other fundraising events)

THE WORKING HORSE TRUST - HELPING TO PROTECT OUR HEAVY HORSE BREEDS

*Our traditional heavy horse breeds are becoming increasingly rare. The Suffolk is widely regarded as the rarest equine in the works; the Shire could disappear over the next ten years; the Clydesdale is at risk. The Working Horse Trust is the only charity of its kind in the UK, run entirely by volunteers and funded by our own efforts. Our mission is to protect our breeds and maintain working horse heritage through education, demonstrations and training.*
